HISTORY OF DEFERRED ENFORCEMENT

BCDC Permit 1977.001.18 allows for 408 slips at Oyster Point Marina

On September 29, 2022, BCDC informed San Mateo County Harbor District and officials at City of South San Francisco that BCDC would allow a temporary increase of live-aboard boats at Oyster Point Marina

On October 26, 2022, City of South San Francisco and San Mateo County Harbor District responded
Permittees have kept up with their commitments and are on track to reaching compliance by October 31, 2023

PROGRESS TO DATE

- 46 boaters moved from Oyster Cove to Oyster Point Marina
- City of South San Francisco immediately got underway providing relocated boaters with resources and information
- In their most recent update, City of South San Francisco indicated that there are currently 19 active cases and 28 have been closed
- On track to reach full compliance by October 31, 2023 deadline
